Acronis only provides to you a license to use the Software on your Authorized Device on the terms stated herein. Acronis does not provide you with any third party licenses that may be required to use or run this Software on your Authorized Device and it is solely your responsibility to obtain all necessary software licenses from respective Third Parties including Apple Inc. You agree that you may not use the Software in any way that conflicts with or violates the terms of service or other agreements between you and any Third Party.
2. Notwithstanding anything to the contrary in this Agreement, you may use the Software on any Authorized Device owned, leased, or otherwise controlled by you.
3. For purposes of this Agreement, the Software also includes any updates, enhancements, modifications, revisions, or additions to the Software made by Acronis and made available to end-users through the Apple<sup>®</sup> App Store or Google Play<sup>™</sup> store app
4. This license does not allow you to use the Mobile Application on any mobile device that you do not own or control, and you may not distribute or make the Mobile Application available over a network where it could be used by multiple devices at the same time. You may not rent, lease, lend, sell, redistribute or sublicense or otherwise transfer in whole or in part the Mobile Application to another party. You may not create, develop, license, install, use, or deploy any third party software or services to circumvent, enable, modify or provide access, permissions or rights to work around any technical limitations in the Mobile Application and these terms. You may not copy (except as expressly permitted by this license) or publish the Mobile Application for others to copy, decompile, reverse engineer, disassemble, attempt to derive the source code of, modify, or create derivative works of the Mobile Application, any updates, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by the licensing terms governing use of any open sourced components included with the Mobile Application). Any attempt to do so is a violation of the rights of Acronis and its licensors. If you breach this restriction, you may be subject to prosecution and damages. You may not use the Mobile Application in any way that is against the law.
5. You acknowledge that Apple<sup>®</sup> or Google<sup>™</sup> are not responsible for providing any maintenance and support services with respect to the Software.
6. This Agreement shall terminate immediately upon the termination of your underlying Acronis Account.

7. If you acquired the Software through the Apple<sup>®</sup> App Store and you acknowledge and agree that Apple<sup>®</sup> and its subsidiaries are third party beneficiaries of this Agreement, and that Apple<sup>®</sup> will have the right (and will be deemed to have accepted the right) to enforce this Agreement against you as a third party beneficiary thereof.

8. If you acquired the Software through the Google Play<sup>™</sup> store app and you acknowledge and agree that Google<sup>™</sup>, and its subsidiaries, are third party beneficiaries of this Agreement, and that Google<sup>™</sup> will have the right (and will be deemed to have accepted the right) to enforce this Agreement against you as a third party beneficiary thereof.

9. All references to Apple<sup>®</sup>, Apple<sup>®</sup> App Store or any of its devices such as iPad<sup>®</sup>, iPhone<sup>®</sup> and corresponding logos are trademarks of Apple Inc., registered or unregistered in the US and other countries.

10. Android<sup>™</sup> is a trademark of Google Inc. in the United States and other countries.

11.
