

PAYMENT CARD INDUSTRY
DATA SECURITY STANDARD

COMPLIANCE

CERTIFICATE

PRESENTED TO

Acronis International GmbH

This is to certify that A-LIGN has validated Acronis International GmbH compliance with the Payment Card Industry Data Security Standard ("PCI DSS") 3.2.1 for Level 1 Service Provider.

Remote testing was performed in accordance with the guidance provided by the Payment Card Industry Security Standards Council ("PCI SSC") to determine that payment card data stored, processed, or transmitted by Acronis International GmbH was secured in accordance with the requirements of PCI DSS.

ROC DATE: 17 January 2023

AOC DATE: 17 January 2023

Issued by:

EVP, A-LIGN

Conditions of Use:

- This certificate is evidence of work performed by A-LIGN for the certificate holder and was not created by or required by the PCI SSC.
- This certificate is for informational and/or display purposes only and does not replace or substitute PCI SSC defined validation documents such as the Attestation of Compliance (AOC).
- This certificate is valid for one year from the Compliance Date.
- This certificate was issued at a point in time and does not guarantee or represent future compliance with the PCI DSS or the security of payment card data.
- This certificate does not warrant or guarantee to any party that the certificate holder is not susceptible to a data breach that may impact the security, confidentiality and integrity of the payment card data. As such, A-LIGN will not be liable to any party in the event of a breach.
